## Celia Czerlinski - a fashion brand for fashion accessories

Fashion

Celia Czerlinski has made her own luxury Label.

In early July she has her luxury label at the start of the **Berlin Fashion Week** presents with a showroom in September and at the **fashion week in Montreal, Canada**. She hopes so, made the first step to have success. In Montreal, Canada, her label was **one of only six European brand n** which could show their collections. Largely because of the contacts with the American brand has been worth the journey to distant Montreal, so the 35-year-old **Celia Czerlinski**, which hopes to new perspectives for their label.

"A timeless design, top quality and functionalities t" brings the "pocket Queen" in their collections together - all custom-made for the perfectly shaped and not just inexpensive fashion taste" defines sex-and-the-City "generation, the special value again immediately eye-catching accessories. Thus their approach can probably best described.

Everything is of style and perfection of character t: When fashion week appearance at the Spree were with **Janina Della Schmidt** and **Neele Hehemann** two former contestants of "Germany's Next Top Model" in use at their finest leather goods, in which only top material from one of the best tanneries in Italy is used to visually bring to bear.
